

2022-2023 LCAP OVERVIEW

Local Control Funding Formula (LCFF)

LCFF, the state's funding formula for schools, provides base, supplemental, and concentration (termed S & C) funds for school districts. S & C funds are targeted to improve student outcomes for all students, especially for emerging multilingual/English learners, foster youth, and low-income students. All districts receive the same base funding per student. S & C funding is calculated based upon a district's number of emerging multilingual, foster youth, and low-income students.

S & C: \$24,501,828

Base: \$93,198,438

Local Control & Accountability Plan (LCAP)

The Local Control & Accountability Plan (LCAP) shows how state funds will improve student outcomes and performance for all students, especially English learners, foster youth, and low-income students. The plan must address California's Eight State Priorities.

8 State Priorities for Districts

1. Basic Conditions
2. Academic Standards
3. Course Access
4. Student Achievement
5. Other Outcomes
6. Parent/Family Engagement
7. Student Engagement
8. School Climate

LCAP Goals

1. Through a collaborative, improvement-driven approach, Azusa USD will provide students engaging, relevant, rigorous, and innovative 21st-century learning environments. By cultivating school site systems, programs, and practices, we ensure positive, safe school climates supportive of student academic growth; wellness; emotional resilience; and attitudes of empathy, respect, and acceptance within our AUSD community.
2. Through a collaborative, improvement-driven approach, Azusa USD will ensure engagement and leadership growth of parents/families and students. We will provide opportunities for collaborative relationships supporting student success and partnerships with families and our community.
3. Through a collaborative, improvement-driven approach, Azusa USD will address the unique needs and abilities of all students, provide high-quality instruction and course offerings, and narrow college/career readiness gaps between student groups to ensure students are prepared for college enrollment and career transitions.
4. Through a collaborative, improvement-driven approach, Azusa USD will ensure all students achieve at grade level on California State Standards and that achievement gaps are reduced. We will prioritize emerging multilingual students' language acquisition, biliteracy, reclassification, and academic achievement.
5. Through a collaborative, improvement-driven approach, Azusa USD will address diversity, equity, and inclusion for all students, including diminishing systemic barriers and racism in our community and elevating culturally relevant teaching/learning.

- Board presentations

Various community members participate in the LCAP process, including families, students, and school district staff (local bargaining units and administrators). Through committee meetings, school board presentations, and surveys, all community members are able to contribute to the district's LCAP process. The community engagement system is highly focused on informing community members about the LCAP, reporting district and site-level strategies for LCAP funds, and collecting input, feedback and recommendations. Details regarding meetings, and specific input from community members can be found in the Community Engagement section of AUSD's LCAP: <https://bit.ly/AUSDLCAP>
