School Description

Charles H. Lee Elementary School, which serves grades TK-5th, has been recognized as a Top School leading the way for educational equity across Los Angeles County. We are committed to delivering high-quality standard-based instruction, ensuring every child learns and that his/her instructional needs are met. We achieve this by closely monitoring the progress of every student and providing early intervention. At Lee, we believe that education is a team effort and we work closely together with our parent community. Lee's staff believes that all student needs (academic, physical, social, and emotional) must be met in order for them to be successful. Children are at the center of everything we do. At Charles H. Lee Elementary School, our mission is to prepare students to be critical thinkers, effective communicators, and respectful citizens. All students are capable of achieving success and becoming independent learners in an environment where everyone is: Responsible, Owns their actions, Always safe, and Respectful. It is our vision to provide a safe, positive, and collaborative academic environment; where all students, staff, and community can learn, grow, and succeed together.

Leadership at Charles H. Lee Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Beginning in the 2017-2018 school year, primary leadership duties were assumed by Principal Diana Rojas. Ms. Rojas has 24 years of experience in education in the following positions: classroom teacher, intervention teacher, adjunct professor, assistant principal, and principal. The principal oversees the day-to-day operations of the school.

Coordinating with the principal is the Leadership Team, which meets monthly to focus on instructional issues. Teachers meet as Grade-Level Teams to align instruction to state standards. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. These committees include School Site Council, English Learners Advisory Committee, Parent Round Table, Parent Advisory Committee, Preschool Advisory Committee, Parent Teacher Association, and Monthly Coffee with the Principal.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Charles H. Lee Elementary School provides a safe, clean environment for students, staff, and volunteers. Built in 1960, the school sits on 8.5 acres. Facilities span 380,477 square feet and include a multipurpose room, library, cafeteria, 16 permanent classrooms, 11 portable classrooms, and two playgrounds. Over the last several years, facility improvements have taken place, including updated heating and air conditioning systems, repainting and mural touchups, and modernization of classrooms and other campus buildings. The facility strongly supports teaching and learning through its ample classroom and playground space, and a staff resource room.

A scheduled maintenance program is administered by Azusa Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

During the day and in the evenings, two custodians ensure that classrooms, restrooms, and campus grounds are kept clean and safe. Azusa Unified School District administers a scheduled maintenance program to ensure that classrooms and facilities are maintained to a degree of adequacy that provides a suitable learning environment.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	37	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and community members are very supportive of the educational program at Charles H. Lee Elementary School. Parents and the community participate in School Site Council, Parent Teacher Association, English Learners Advisory Committee, Parent Round Table, Parent Advisory Committee, Preschool Advisory Committee, Families in Schools Program, Grassroots ESL, and Monthly Coffee with the Principal. Charles H. Lee Elementary School enjoys many partnerships and generous donations from various community organizations. These partnerships include ongoing collaboration with Azusa Pacific University in the CHAMP Program, as well as support from the Duarte Elks Lodge and Golden State Foods Foundation which Lee has collaborated with for several years.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is one of Charles H. Lee Elementary School's primary concern. The school's emergency preparedness plan includes steps for ensuring student and staff safety during an emergency or disaster. Fire, Earthquake, Lock-down drills are conducted on a regular basis throughout the school year. Annually, the school practices a complete earthquake drill, which includes an entire school evacuation. A storage bin located at the school contains food, water, and other supplies for use during an emergency or disaster. In addition, an emergency backpack with supplies is stored in each classroom. The backpack holds a first aid kit and student information cards. Principal, teachers, and support staff are trained and practice lock down procedures in order to secure the entire campus in case of an emergency. In addition, Principal, teachers, and support staff supervise the campus before and after school, and during recess and lunch to ensure the safety of all the students. All visitors must sign in at the front office, wear identification tags while on the school grounds and sign out upon departure.

A Comprehensive School Safety Plan was developed by the Safety Committee in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include the following: monthly facility safety inspections; child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. The Safety Committee evaluated the plan in September 2020 and updates were made as needed.

Suspensions	0.5	1.5	2.6
Expulsions	0.0	0.02	n/a

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	37	37	74

Professional Development at Charles H. Lee Elementary School is primarily delivered on student release days through monthly staff meetings and PLC meetings. Based on the areas for student growth from State and District Data, our primary areas of focus have been Academic Discourse, Collaborative Practices, Cognitive Rigor, and Digital Platforms. Teachers are supported through PLC protocols, Resource Teacher, and classroom observations and feedback.

The district annually holds professional development days in which teachers are offered a broad-based variety of professional learning opportunities in curriculum and instructional practice in support of a continuous cycle of improvement. Professional learning opportunities include grade level and/or content-specific programming on full and partial days as well as early student release day opportunities. Student achievement data continues to be the determining factor in the selection of professional learning topics. The primary areas of focus for professional learning in the last three years have been in the area of supporting teachers as it relates to math, ELA/ELD, history-social science, and science curricula, content standards, frameworks, as well as the use of student data to improve instructional practice. Professional learning is developed and facilitated by district staff, Teachers on Special Assignment, as well as consultants and coaches who specialize in content-area pedagogy. Professional learning is structured in job-embedded workshops and professional learning communities which include collaborative lesson planning, lesson study, classroom observations and coaching support, and student work/data analysis. Professional learning for all teachers includes strategies and pedagogy to support all learners' access to rigorous, grade-level standards. All professional learning includes a special emphasis on supporting the development of English learners' development of academic language and literacy.

Beginning in 2017 through 2021, all teachers participated in six days of systematic, district-wide professional learning with a focus on instructional strategies in support of our three student success drivers: academic discourse, collaborative practices, and cognitive rigor. In addition, several opt-in days of various ongoing professional learning offerings were held to differentiate among grade and content levels and included standards-aligned instructional practices in support of all learners, including English learners and students with disabilities; college and career readiness; and social-emotional support.

Types of Services Funded

Azusa Unified School District receives funding from state and federal funding sources. Through the Local Control Funding Formula (LCFF) California provides Base funding to support achievement of all students and Supplemental and Concentration funds directed primarily toward English learners, low-income, and foster youth. The district receives additional funding from federal categorical, special education, and support programs to support all students at all schools. In addition, the district receives some grant funding from state, federal, and other non-government sources. Types of services funded include:

- Standards-aligned instructional materials
- Professional development for certificated and classified staff
- Class Size Reduction
- Academic intervention and support (i.e. targeted Title I)
- Support for English learners and their families
- College preparation programs
- Educational Technology Assistance
- ROC/P
- Career Technical Education
- Special Education
- Home-to-School Transportation
- Health and nutrition programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
