School Description

Powell Elementary School of the Arts is a place where school and community come together for the success of our children. Part of the Azusa Unified School District, Powell is the "Arts Focused" elementary school in Azusa, using visual and performing arts to enhance and enrich the curriculum. Our school intentionally integrates the arts throughout the core curriculum to deepen and enrich student learning. Every day in classrooms at Powell, students are acting, singing, and dancing their way through lessons. Our dedicated art studio provides students with regular opportunities to draw, paint, sculpt and create. Each year we put on fall, winter and spring performances; and as a school of the arts, we produce a full-scale musical annually for which students, grades 1st-6th, are welcome to audition. Through strategic arts partnerships, our students participate in a yearly ceramics project as well as other special art opportunities such as World Music Drumming, Young Composers classes, and Interactive Theater Workshops.

The enhancement of Powell Elementary School's curriculum is an ongoing process. Using student data from multiple assessments, administrators and teachers look at how well students are performing according to state grade-level standards, identifying areas of strength and weakness. Teachers modify instruction to ensure students succeed in meeting grade-level expectations. All Powell classrooms implement rigorous common core aligned curriculum in math and language arts. English learners receive daily designated as well as integrated ELD. All Powell students participate in WIN (What I Need), a structured response to intervention program in which students receive targeted, on level, daily instruction to enhance reading ability.

At Powell School we implement PBIS (Positive Behavioral Interventions and Supports). PBIS is a proactive system-wide framework for creating and maintaining safe and effective learning environments in schools and ensuring that all students have the social skills needed to ensure their success at school and beyond. Students are specifically taught what the expected appropriate behaviors look like in all areas of the school and are acknowledged and rewarded when they behave in accordance with these expectations. Our expectations: Be safe, be respectful, be responsible.

Leadership at Powell Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Beginning in the 2013-14 school year, primary leadership duties were assumed by Principal Jennifer Wiebe. Prior to her arrival, she had 25 years of experience in education in the following positions: classroom teacher, adjunct professor and director of an educational non-profit organization. The principal oversees the day-to-day operations of the school.

Coordinating with the principal are teachers who meet in Professional Learning Communities to align instruction to Common Core State Standards. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with District goals. These committees include Powell Panther Parents, English Learners Advisory Committee (ELAC), and School Site Council (SSC).

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Powell Elementary School provides a safe, clean environment for students, staff, and volunteers. Built in 1954, with modernizations made in 2005, the school sits on nine acres. Facilities span 398,129 square feet and include a multipurpose room, library, cafeteria, 17 permanent classrooms, updated playground, and one computer lab. The facility strongly supports teaching and learning through its ample classroom and playground space, and a staff resource room.

A scheduled maintenance program is administered by Azusa Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication 100% of the restrooms were fully functional.

During the day and in the evenings, two custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. Azusa Unified School District administers a scheduled maintenance program to ensure that classrooms and facilities are maintained to a degree of adequacy that provides a suitable learning environment.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	32	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and community members are very active in and supportive of the educational program at Powell School of the Arts! At Powell, we are a family-oriented community. Parents participate in committee groups such as Panther Parents, ELAC (English Language Advisory Committee), and SSC (School Site Council). Parents lead and participate in two Families in Schools workshops each year called Reading Roads and Transition to Middle School. These are multiple week classes for parents taught by parents. We also host numerous family fun events such as our Spring Picnic Day, the Fall, Winter, and Spring Performances, our School-wide musical, Read Across America Day, a fifties Sock Hop, Muffins for Mom, Donuts for Dads, and a fantastic Cinco de Mayo festival. Back-to-School Night, Open House, and Coffee with the Principal are some of the other opportunities for parents to be involved in and learn how they can better support their child.

Parents are always welcome on campus. They often join us for the Monday morning flag salute assembly, monthly awards assemblies, as well as regularly volunteer in classrooms and chaperone field trips. We have a Parent Center, where our Powell parents along with our community liaison gather to make tamales for fundraisers, sew costumes for the musical, plan festivals and family events, and just support each other. The school's motto, "A place where school and community come together for the success of our children" sums up the very essence of Powell Elementary School.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is the primary concern at Powell Elementary School. The school's emergency preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, and lock down drills are conducted on a regular basis throughout the school year. Annually, the school practices a complete earthquake drill, which includes an entire school evacuation. A storage bin located at the school contains food, water, and other supplies for use during a disaster.

All visitors must sign in at the front office, wear identification tags while on the school grounds and sign out upon departure. Teachers are on duty before school, during recess, and noon supervisors are on duty during lunch and after school to ensure the safety of all our students. Teachers, staff, and administrators are trained and practice lock down procedures that, in an emergency, can secure the entire campus.

A Comprehensive School Safety Plan was developed by the Safe School Committee in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include the following: monthly facility safety inspections; child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. The Safe School Committee evaluates the plan annually and updates the plan as needed.

The School Safety Plan was approved by the School Site Council on 12-11-20.

Suspensions	0.0	1.5	2.6
Expulsions	0.0	0.02	n/a

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	52	55	60

Professional Development at Powell is delivered through weekly early release day PLC meetings, monthly staff meetings, TEAL Integrated Arts trainings, and intensive PLC days for certain grade levels. Based on our areas for growth as seen in our student data, our primary areas of focus over the past three years have been on Rigorous Writing, Integrated Arts, and Best First Instruction practices. Teachers are supported through class observations and feedback, Teachers on Special Assignment provide support for planning, and they participate in PLC data protocols.

The district annually holds professional development days in which teachers are offered a broad-based variety of professional learning opportunities in curriculum and instructional practice in support of a continuous cycle of improvement. Professional learning opportunities include grade level and/or content-specific programming on full and partial days as well as early student release day opportunities. Student achievement data continues to be the determining factor in the selection of professional learning topics. The primary areas of focus for professional learning in the last five years have been in the area of supporting teachers as it relates to math, and ELA/ELD, history-social science, and science curricula, content standards, frameworks, as well as the use of student data to improve instructional practice. Professional learning is developed and facilitated by district staff, Teachers on Special Assignment, as well as consultants and coaches who specialize in content-area pedagogy. Professional learning is structured in job-embedded workshops and professional learning communities which include collaborative lesson planning, lesson study, classroom observations and coaching support, and student work/data analysis. Professional learning for all teachers includes strategies and pedagogy to support all learners access rigorous, grade-level standards. All professional learning includes a special emphasis on supporting the development of English learners' development of academic language and literacy.

Beginning in 2017 through 2021, all teachers participated in six days of systematic, district-wide professional learning with a focus on instructional strategies in support of our three student success drivers: academic discourse, collaborative practices, and cognitive rigor. In addition, several opt-in days of various ongoing professional learning offerings were held to differentiate among grade and content levels and included standards-aligned instructional practices in support of all learners, including English learners and students with disabilities; college and career readiness; and social-emotional support.

Types of Services Funded

Azusa Unified School District receives funding from state and federal funding sources. Through the Local Control Funding Formula (LCFF) California provides Base funding to support achievement of all students and Supplemental and Concentration funds directed primarily toward English learners, low-income, and foster youth. The district receives additional funding from federal categorical, special education, and support programs to support all students at all schools. In addition, the district receives some grant funding from state, federal, and other non-government sources. Types of services funded include:

- Standards-aligned instructional materials
- Professional development for certificated and classified staff
- Class Size Reduction
- Academic intervention and support (i.e. targeted Title I)
- Support for English learners and their families
- College preparation programs
- Educational Technology Assistance
- ROC/P
- Career Technical Education
- Special Education
- Home-to-School Transportation
- Health and nutrition programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
