### **School Description**

Sierra High School is a fully accredited California Model Continuation High School serving students 16 years of age and older. Although some students are placed at Sierra for disciplinary reasons, most are placed because they are behind in credits and need specialized attention within an alternative educational environment. Students may also choose Sierra as an alternative to attending a comprehensive high school. Sierra High School is on a trimester system that allows students to enroll in up to six courses each session.

Students may earn up to 90 credits per year, giving them an increased opportunity to earn the 220 credits required to meet the Azusa Unified graduation requirements. Sierra students may earn additional credits through our Regional Occupation Program (ROP), online A-G APEX courses, Summer School, and community college dual enrollment courses, in conjunction with Citrus College. In addition, Sierra students have the opportunity to enroll in multiple Advanced Placement courses and tests offered through College Board. Central to the school's philosophy is, that by providing a personalized, caring, and enriched environment, students will develop to their fullest potential. The ultimate goal of Sierra High School is to nurture and develop a person who accepts and displays the responsibilities of good citizenship, has acquired the necessary skills to compete in the 21st Century, and continually contributes to our society.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### School Facility Conditions and Planned Improvements (Most Recent Year)

Sierra High School provides a safe, clean environment for students, staff, and volunteers. Built in 1956, with modernizations made in 2005, the school sits on 10 acres. Facilities span 683,555 square feet and include a library, cafeteria, 29 permanent classrooms, two portable classrooms, field and recreation space, and one computer lab. The facility strongly supports teaching and learning through its ample classroom space and a staff resource room.

A scheduled maintenance program is administered by Azusa Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

During the day and in the evenings, two custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. Azusa Unified School District administers a scheduled maintenance program to ensure that classrooms and facilities are maintained to a degree of adequacy that provides a suitable learning environment.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	7	N/A	40	N/A	50	N/A
Math	1	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

Parents and community members are very supportive of the educational program at Sierra High School. Parents and the community participate in two Report Card Nights, English Learners Advisory Council (ELAC), School Site Council (SSC), three evening Graduation Status Meetings, Parent Focus Meetings, PBIS activities, Families in Schools (FIS), and Coffee with the Principal.

- Sierra High School enjoys many partnerships in the community and generous donations from local businesses. These partnerships include: Azusa Pacific University In-n-Out McKinley Children's Center Azusa Rotary Cal Poly Pomona East San Gabriel Valley ROP Citrus College Rainbird Blue Chair Children's Book My Third Place and Chik-fil-A.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2020-2021)

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Annually, the school practices a complete earthquake drill, which includes an entire school evacuation. A storage bin located at the school contains food, water, and other supplies for use during a disaster. All visitors must sign in at the front office, wear identification tags while on the school grounds and sign out upon departure. Teachers, campus aides, and administrators supervise before and after school and during lunch to ensure the safety of all students.

A Comprehensive School Safety Plan was developed by the Safe School Committee in order to comply with Senate Bill 187 of 1997. Sierra staff is ALICE trained and routinely practices various lockdown and other emergency scenarios. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include the following: monthly facility safety inspections; child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. The Safe School Committee and/or the site Leadership Team evaluates the plan annually and updates the plan as needed. The safety plan was approved by SSC on 12/14/2020

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	17.9	19.2	3.8	3.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.3	1.5	2.6
Expulsions	0.5	0.02	n/a

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	179

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Student Support Services Staff (School Year 2019-2020)**

Title	Number of Full-Time Equivalent (FTE)
<b>Counselor (Social/Behavioral or Career Development)</b>	1

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Average Class Size and Class Size Distribution (Secondary)**

Subject	2017-18 Average Class Size	2017-18 # of Classes* Size 1-20	2017-18 # of Classes* Size 21-32	2017-18 # of Classes* Size 33+	2018-19 Average Class Size	2018-19 # of Classes* Size 1-20	2018-19 # of Classes* Size 21-32	2018-19 # of Classes* Size 33+	2019-20 Average Class Size	2019-20 # of Classes* Size 1-20	2019-20 # of Classes* Size 21-32	2019-20 # of Classes* Size 33+

<b>Science</b>	12	5			15	5			17	6		
<b>Social Science</b>	15	16			14	16	1		16	15		

\*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
<b>Number of school days dedicated to Staff Development and Continuous Improvement</b>	50	58	62

The primary focus for staff development and ongoing learning has been: WASC, College Board (AP Courses), newly adopted curriculum, data systems (Illuminate), Testing, (SBAC and SAT), Professional Learning Communities (PLCs), and Essential Learnings in core subjects. Professional staff development has multiple means of delivery: Staff Meetings, PLCs, teacher release time, and early release days. Staff uses data to plan and implement activities, instruction, and interventions. The staff has been trained on the use of Data Protocols and interdisciplinary teams. Teachers are supported through the use of collaborative release time, Lesson studies, formal and informal observations, Conference attendance, and general feedback from the administration.

The district annually holds professional development days in which teachers are offered a broad-based variety of professional learning opportunities in curriculum and instructional practice in support of a continuous cycle of improvement. Professional learning opportunities include grade level and/or content-specific programming on full and partial days as well as early student release day opportunities. Student achievement data continues to be the determining factor in the selection of professional learning topics. The primary areas of focus for professional learning in the last five years have been in the area of supporting teachers as it relates to math, and ELA/ELD, history-social science, and science curricula, content standards, frameworks, as well as the use of student data to improve instructional practice. Professional learning is developed and facilitated by district staff, Teachers on Special Assignment, as well as consultants and coaches who specialize in content-area pedagogy. Professional learning is structured in job-embedded workshops and professional learning communities which include collaborative lesson planning, lesson study, classroom observations and coaching support, and student work/data analysis. Professional learning for all teachers includes strategies and pedagogy to support all learners access rigorous, grade-level standards. All professional learning includes a special emphasis on supporting the development of English learners' development of academic language and literacy.

Beginning in 2017 through 2021, all teachers participated in six days of systematic, district-wide professional learning with a focus on instructional strategies in support of our three student success drivers: academic discourse, collaborative practices, and cognitive rigor. In addition, several opt-in days of various ongoing professional learning offerings were held to differentiate among grade and content levels and included standards-aligned instructional practices in support of all learners, including English learners and students with disabilities; college and career readiness; and social-emotional support.

**Types of Services Funded**

Azusa Unified School District receives funding from state and federal funding sources. Through the Local Control Funding Formula (LCFF) California provides Base funding to support the achievement of all students and Supplemental and Concentration funds directed primarily toward English learners, low-income, and foster youth. The district receives additional funding from federal categorical, special education, and support programs to support all students at all schools. In addition, the district receives some grant funding from the state, federal, and other non-government sources. Types of services funded include:

- Standards-aligned instructional materials
- Professional development for certificated and classified staff
- Class Size Reduction
- Academic intervention and support (i.e. targeted Title I)
- Support for English learners and their families
- College preparation programs
- Educational Technology Assistance
- ROC/P
- Tutoring
- College Scholarship Essay Writing Prep
- Career Technical Education
- Special Education
- Home-to-School Transportation
- Health and nutrition programs

#### Career Technical Education Programs

Sierra High School utilizes district LCFF funds (Base and Supplemental & Concentration) to enhance and expand career technical education programs with the expectation that students will graduate college and career ready with recognized certifications and/or transferable college credit leading to a baccalaureate degree. The Director of College and Career Pathways supervises and supports the high school programs.

In collaboration with the Regional Occupation Program (ROP), Sierra High School offers two career pathways in Public Services/Law Enforcement and Education and Child Development that are integrated with core academic courses to provide academic assistance and career relevance. Complete Programs of Study, including the course sequence leading to certification and post-secondary opportunities are available on the school's website. Key business partners and community members, including Citrus College, the Chamber of Commerce and the San Gabriel Valley Economic Partnership provide advice and direction to ensure that the curriculum, instruction, materials, and resources are relevant and current.

The counseling staff, including an academic counselor, an administrator, and computer technician provide group and individual guidance using the Naviance college and career portfolio that includes interest inventories, personality profiles, and college and career search tools. Students with special needs are provided additional assistance to ensure access and academic success. Students' course selections are guided by their interests and post-high school goals and plans.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
