School Description

At Henry Dalton Elementary School, we believe that students, parents and staff members, working together as partners, will ensure that learning and achievement are encouraged and highly valued, and that positive social behavior is expected. We believe that students have the right to learn and teachers have the right to teach. We believe that students and staff members have the right to a safe, civil and productive school environment. We believe that students have the right to expect a calm, friendly environment, with clear behavioral expectations and discipline policies that are consistently and fairly administered. Dalton is a student-centered community focused on promoting educational excellence. The staff works to ensure students receive quality instruction, diverse opportunities, and develop academically and socially. Dalton programs include a STEM pathway in partnership with Slauson Middle School, Center Middle School, Gladstone High School and Azusa High School; a PBIS program to support positive behavior interventions; Early Bird/ Late Bird Kindergarten program which provides small group instruction for younger students; instrumental music for fifth graders; physical education curriculum; OLWEUS Bully Prevention Program; after school academic intervention; and a Response to Instruction intervention and enrichment model in English Language Arts. There are also partnerships with community programs through companies, Azusa Pacific University, and community groups that support families and students. There are opportunities for parent engagement, such as Coffee with the Principal, Families in Schools, Math Game Day, Parent Education Opportunities and informational presentations which are offered to promote learning outside of the regular school day. Technology is also an important component of the program at Dalton. The school has a full computer lab, iPad carts, and Chromebooks that are utilized to provide standards-based programs in all content areas.

Leadership at Dalton Elementary School is a responsibility shared among district administration, the principal, instructional staff, students, and parents. Laura Clarke serves as principal. Staff members and parents participate in various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. These committees include the School Site Council (SSC), the Parent Teacher Association (PTA), the English Learners Advisory Committee (ELAC), PBIS/OLWEUS/Safety Committee, Reading and Math Programming, STEM Committee, and Professional Learning Communities. Dalton students have an opportunity to participate in the Student Leadership program and Bully Prevention Committee.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Dalton Elementary School provides a safe, clean environment for students, staff, and volunteers. Built in 1951, the school sits on 8.5 acres. Facilities span 337,521 square feet and include a multipurpose room, library, cafeteria, 14 permanent classrooms, and eight portable classrooms, playground, and a computer lab. Recent modernization has occurred on the Dalton Elementary School campus, concluding in summer of 2018. The facility strongly supports teaching and learning through its ample classroom and playground space, and a staff resource room.

A scheduled maintenance program is administered by Azusa Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	38	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and community members are very supportive of the educational program at Dalton Elementary School. Parents and the community participate in the Parent and Superintendent Roundtable, PAC+, COVID Compliance Team Meetings, School Reorganization Team, District English Language Acquisition Committee, as well as the school's Back-to-School Night, Open House, Teacher/Principal-planned workshops, PBIS/OLWEUS Committee and "Coffee with the Principal". Parents may also participate on the School Site Council, English Language Acquisition Committee (ELAC), Families in Schools and the Parent Teacher Association (PTA). Parent input is sought to support decisions regarding school programs, the development of the School Plan for Student Achievement, and input for the district Local Control and Accountability Plan. Multiple opportunities for parent education and training are offered, including Grassroots ESL, Families in Schools and subject-area support. Parents are also encouraged to volunteer in classrooms, to support programs and to help during special events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is Dalton Elementary School's primary concern. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster or emergency. Fire, disaster and emergency drills are conducted on a regular basis throughout the school year. Annually, the school participates in two district-wide earthquake drills, which includes an entire school evacuation. A storage bin located at the school contains food, water, and other supplies for use during a disaster.

All visitors must sign in at the front office, wear identification tags while on the school grounds and sign out upon departure. The principal, teachers, and support staff supervise the campus during recess, and before and after school and noon aides supervise during lunch to ensure the safety of all students. Teachers, staff and administrators are trained and practice lock-down procedures that, in an emergency, can secure the entire campus.

A Comprehensive School Safety Plan was developed by the Safe School Committee in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include the following: Mission Statement, Discipline Plan, School Climate, Student Drop-off and Pick-up procedures, and Emergency Procedures. The school safety plan is annually approved by the school site council in the Fall.

Suspensions and Expulsions

Suspensions	0.3	1.5	2.6
Expulsions	0.0	0.02	n/a

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	42	45	50

Continuous improvement and learning are priorities at Dalton School. School staff participates in training throughout the year to improve teaching, learning and school safety. Areas of focus for our school include Professional Learning Communities, OLWEUS Bully Prevention, Positive Behavior Interventions and Supports, Writing Strategies, ALICE training, Sexual Harassment training, Mandated Reporter, Math Cycle of Inquiry, English Language Arts training, School Climate, Distance Learning CAASPP, Social Emotional Learning and Project Lead the Way.

The district annually holds professional development days in which teachers are offered a broad-based variety of professional learning opportunities in curriculum and instructional practice in support of a continuous cycle of improvement. Student achievement data continues to be the determining factor in the selection of professional learning topics. The primary areas of focus for professional learning in the last three years have been in the area of supporting teachers as it relates to math, and ELA/ELD, history-social science, and science curricula, content standards, frameworks, as well as the use of student data to improve instructional practice. Professional learning is developed and facilitated by district staff, Teachers on Special Assignment, as well as consultants and coaches who specialize in content-area pedagogy. Professional learning is structured in job-embedded workshops and professional learning communities which include collaborative lesson planning, lesson study, classroom observations and coaching support, and student work/data analysis. Professional learning for all teachers includes strategies and pedagogy to support all learners access rigorous, grade-level standards. All professional learning includes a special emphasis on supporting the development of English learners' development of academic language and literacy.

Beginning in 2017 through 2021, all teachers participated in six days of systematic, district-wide professional learning with a focus on instructional strategies in support of our three student success drivers: academic discourse, collaborative practices, and cognitive rigor. In addition, several opt-in days of various ongoing professional learning offerings were held to differentiate among grade and content levels, and included standards-aligned instructional practices in support of all learners, including English learners and students with disabilities; college and career readiness; and social-emotional support.

Types of Services Funded

Dalton Elementary School receives additional funding from Title 1 and LCAP to meet the needs of all student populations and subgroups. This supplemental funding supports programs to improve student achievement and provides access to the curriculum for all students based on their needs. Decisions on funding allocation is based on data collection and review, and through input from parent and staff groups including School Site Council and ELAC. Programs currently supported include three after school intervention programs for English Language Learners, a computer lab, a school library, school-wide differentiated instruction 4 days per week for 45 minutes for Language Arts intervention, Accelerated Reader, MyOn, Brainpop, Math supplemental materials, and supplemental literature and expository books for classroom use. Think Together offers a program to support students every day after school.

Azusa Unified School District receives funding from state and federal funding sources. Through the Local Control Funding Formula (LCFF) California provides Base funding to support achievement of all students and Supplemental and Concentration funds directed primarily toward English learners, low-income, and foster youth. The district receives additional funding from federal categorical, special education, and support programs to support all students at all schools. In addition, the district receives some grant funding from state, federal, and other non-government sources. Types of services funded include:

- Standards-aligned instructional materials
- Professional development for certificated and classified staff
- Class Size Reduction
- Academic intervention and support (i.e. targeted Title I)
- Support for English learners and their families
- College preparation programs
- Educational Technology Assistance
- ROC/P
- Career Technical Education
- Special Education
- Home-to-School Transportation
- Health and nutrition programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
