### **School Description**

The mission at Magnolia Elementary School is to: maintain a collaborative and cooperative learning environment among students, families, and community members; provide rich learning experiences that allow all students to thrive and achieve the rigorous demands of academic standards; implement teaching practices that are reflective and responsive to the needs of our students; integrate the use of technology to support instruction; create a safe and nurturing learning environment that promotes life long learning; and to build a community where character counts and respect for self, peers, staff, and the environment is demonstrated by all.

Magnolia Elementary School provides a positive environment that is conducive to learning. Through Positive Behavior Interventions and Supports, the focus is on reinforcing positive behavior that meets our W.I.L.D. Expectations. All students are expected to make Wise Choices, Inspire Others, Lead by Doing, and Develop Solutions. In addition to our W.I.L.D. Expectations, our Mustangs focus on and are recognized for demonstrating one of nine character traits each month: Attentiveness, Respect, Kindness, Self Control, Dependability, Perseverance, Thankfulness, Patience, and Truthfulness. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientation and parent/student handbooks. Teachers send progress reports home to keep parents informed of their child's progress. Fourth and fifth-grade students use daily planners to teach organizational skills and to keep parents informed of class assignments.

Leadership at Magnolia Elementary School is a responsibility shared among district administration, the principal, staff, students, and parents. Primary leadership duties are assumed by the Principal, Marcella Fonseca. The principal oversees the day-to-day operations of the school. Coordinating with the principal is the Leadership, Positive Behavior Interventions and Supports, and Reading Counts teams, which meet to focus on instructional issues. Teachers meet as Professional Learning Communities at the grade-level and across the grade levels to align instruction to state standards. Staff members and parents participate on various committees to ensure instructional programs are consistent with students' needs and comply with district goals. These committees include School Site Council (SSC), English Language Advisory Committee (ELAC), and Volunteer Club.

Positive reinforcements are issued frequently to acknowledge students for good citizenship and achievement. Magnolia Elementary School holds regular Thursday morning W.I.L.D. Time assemblies in which students are recognized for achievement and positive behavior. We also have "Lunch with the Principal" for students who exemplify positive character. To build self-esteem, promote achievement, and aid in the prevention of behavioral problems, students are encouraged to participate in the school's additional academic and extracurricular activities. These include: Student Council, after-school tutoring, THINK Together, Fall Carnival, Read Around the School, talent show, and Family Nights.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### School Facility Conditions and Planned Improvements (Most Recent Year)

Magnolia Elementary School provides a safe, clean environment for students, staff, and volunteers. Built in 1964, with modernizations made in 2005, the school sits on nine acres. Facilities span 396,714 square feet and include a multipurpose cafeteria, 20 permanent classrooms, six portable classrooms, playground, and a media center with library and computer lab. The facility strongly supports teaching and learning through its ample classroom and playground space, and a staff resource room.

A scheduled maintenance program is administered by Azusa Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority and repair requests are completed efficiently and in the order in which they are received.

During the day and in the evenings, two custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. Azusa Unified School District administers a scheduled maintenance program to ensure that classrooms and facilities are maintained to a degree of adequacy that provides a suitable learning environment.

### School Facility Good Repair Status (Most Recent Year)

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	43	38	39	40	50	50
Math	34	29	28	31	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and Ten

##### Percentage of Students Meeting or Exceeding the State Standard

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	30.4	21.4	14.3

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Parents and community members are very supportive of the educational program at Magnolia Elementary School. Magnolia enjoys and benefits from many community partnerships and generous donations. Parents and the community have the opportunity to participate in the following:

- Back to School Night
- Holiday Story Night
- Read Around the School
- School Site Council
- English Language Advisory Committee
- Parent Education Nights
- Monthly Parent Coffees
- Families in Schools
- Open House
- Volunteer Club
- Harvest Carnival (made possible through joint efforts of school staff and the Azusa Community)
- Parent Advisory Committee (PAC+)
- Superintendent's Roundtable

Additional opportunities may be found on the Activity Calendar published on the Magnolia School website.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The safety of students and staff is Magnolia’s primary concern. The school’s disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Annually, our school practices a complete earthquake drill, which includes an entire school evacuation. All visitors must sign in at the front office, wear identification tags while on the school grounds, and sign out upon departure. Staff perform supervision during recess, and before and after school. Noon supervisors are on duty during lunch to ensure the safety of all our students. Teachers, staff, and administrators are trained and practice lock-down procedures that, in an emergency, can secure the entire campus.

A Comprehensive School Safety Plan was developed by the School Safety Committee in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. The Safe School Committee evaluates the plan annually and updates the plan as needed.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	63	62	68

Based on state, district, and local data the primary areas of focus at Magnolia School are improving achievement in reading, math, and writing across the curriculum. Grade level teams are provided partial day release time every 6 weeks (each grade level meets on a different day) and two early release days each month to participate in Professional Learning Communities where teams hold data-driven conversations focused on student learning and planning how they will respond to the data. Professional development opportunities are delivered through grade level collaborations, after school trainings, and conference attendance. Teachers are supported during implementation through in-class coaching, teacher-principal meetings, and collaborations with colleagues. Teachers are also provided the needed instructional materials and technology to implement strategies and practices acquired through professional development.

The district annually holds professional development days in which teachers are offered a broad-based variety of professional learning opportunities in curriculum and instructional practice in support of a continuous cycle of improvement. Professional learning opportunities include grade level and/or content-specific programming on full and partial days as well as after-school opportunities. Student achievement data continues to be the determining factor in the selection of professional learning topics. The primary areas of focus for professional learning in the last three years have been in the area of supporting teachers as it relates to math, and ELA/ELD, history-social science, and science curricula, content standards, frameworks, as well as the use of student data to improve instructional practice. Professional learning is developed and facilitated by district staff, Teachers on Special Assignment, as well as consultants and coaches who specialize in content-area pedagogy. Professional learning is structured in job-embedded workshops and professional learning communities which include collaborative lesson planning, lesson study, classroom observations and coaching support, and student work/data analysis. Professional learning for all teachers includes strategies and pedagogy to support all learners access rigorous, grade-level standards. All professional learning includes a special emphasis on supporting the development of English learners' development of academic language and literacy.

Beginning in 2017 through 2020, all teachers participated in six days of systematic, district-wide professional learning with a focus on instructional strategies in support of our three student success drivers: academic discourse, collaborative practices, and cognitive rigor. In addition, several opt-in days of various ongoing professional learning offerings were held to differentiate among grade and content levels and included standards-aligned instructional practices in support of all learners, including English learners and students with disabilities; college and career readiness; and social-emotional support.

**FY 2017-18 Teacher and Administrative Salaries**

Administrative Salaries	6%	6%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

**Types of Services Funded**

Azusa Unified School District receives funding from state and federal funding sources. Through the Local Control Funding Formula (LCFF) California provides Base funding to support achievement of all students and Supplemental and Concentration funds directed primarily toward English learners, low-income, and foster youth. The district receives additional funding from federal categorical, special education, and support programs to support all students at all schools. In addition, the district receives some grant funding from state, federal, and other non-government sources. Types of services funded include:

- Standards-aligned instructional materials
- Professional development for certificated and classified staff
- Class Size Reduction
- Academic intervention and support (i.e. targeted Title I)
- Support for English learners and their families
- College preparation programs
- Educational Technology Assistance
- ROC/P
- Career Technical Education
- Special Education
- Home-to-School Transportation
- Health and nutrition programs

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents. All Azusa Unified School District schools provide students with on-site internet access.

**FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries**
